The results from the Alberta Provincial Hershey Meet and the NWT Meet are submitted to the Hershey's Region 3 Coordinator who determines at least five athletes to represent Alberta/NWT. Please note that not every winner at the Provincial & Territory Final will automatically advance to the North American Final due to the geographical distribution rule which states that a minimum of five participants from each state/provincial group will compete in the North American Final. Any person who is selected for the team will be notified in July of the decision. Please also keep in mind that any athlete selected to advance to the North American Finals will receive an all expense paid trip to Hershey, Pennsylvania for the August long weekend, to compete at the meet. All athletes advancing will be required to have a valid passport.

Water will be available on site; however we ask that each participant bring their own water bottle.

Congratulations on your outstanding performance, and I hope to see you at the Provincial Finals. If you have any questions, please feel free to contact me at (780) 427-8878 or by email: clairewilliams@athleticsalberta.com
